BHPA guidance on CANP can be found at this link: BHPA CANP
The page at the link was last updated on 21 February 2018. The only significant change was yet another change to the Low Flying Booking Cell email address: swk-lfoflfbc@mod.gov.uk

SEW Safety agreed to have SEW sites added to a simple Google Sheets form, set up by Chris Williams, which greatly simplifies the system for submitting a CANP. Advantages of this form are:

● Easy to find and use
● Simple drop-down process for selecting site, date, times etc.
● Sites' OS Grid Refs and BHPA Site Codes automatically completed
● Potential errors mitigated e.g. minimum number of pilots
● Future changes incorporated e.g. email address
● Widely used by 11 BHPA clubs and supported by BHPA Sites and Airspace Exec members

A link to the form can be found here: CANP Form
